For this assignment, you will work in groups of 3 to create a short video telling a story about a topic discussed in this course. Topics must be approved by the instructor.

### **Digital Storytelling**

Your goal in this assignment is to create a compelling narrative that inspires viewers to think differently about your topic. You may choose to tackle a theme that has not received much attention in public education in the urban and rural systems. Or you might take a prominent issue and examine it from a new angle. Either way, your goal is to provoke thought, reflection, and discussion.
